

Pratik Dimble

Senior Software Engineer | Pune, MH | pratikdimble2238@gmail.com | 9158803045 | [LinkedIn](#) | [Portfolio](#) | [Github](#)

Profile

Senior Software Engineer with 6+ years of experience in designing and scaling robust backend systems using **Spring Boot and Microservices**. Expert in PostgreSQL optimization and cloud deployments across **AWS/Azure**. Proven track record of leveraging **AI-driven development tools (Copilot, Gemini, Claude, OneTru Assist)** to accelerate delivery cycles and **Harness/RabbitMQ** to build resilient, distributed applications. Strong advocate for Clean Code, Agile methodologies, and mentoring junior developers.

Technical Skills

• Java	• Hibernate	• Git
• Spring Boot	• JPA	• Bitbucket
• Microservices	• RabbitMQ	• JIRA
• RESTful APIs	• PostgreSQL	• Harness
• Swagger API	• MySQL	• Agile methodologies
• Postman API	• AWS	• Cross-functional collaboration
• Workflow Diagrams	• Azure	• Angular
• AI Tools		

Experience

SENIOR SOFTWARE ENGINEER | NITOR INFOTECH PVT. LTD. | NOV 2024 – PRESENT

- Led the development of scalable web applications using modern frameworks and cloud technologies.
- Designed and developed APIs based on business requirements and integrated them into the application.
- Resolved system issues and improved code quality for better performance and reliability.
- Collaborated with QA and stakeholders to support testing, demos, and ensure high-quality deliverables.
- Coordinated with cross-functional teams and clients across locations to deliver tailored solutions aligned with business objectives.

SOFTWARE ENGINEER | ERACAL SOFTWARE PVT. LTD | JUN 2021 – AUG 2023 & JUN 2018 – OCT 2020

- Specializing in Java and Spring Boot, with a proven track record in developing high-performance microservices and RESTful APIs.
- Successfully managed multiple development and update projects simultaneously, ensuring timely delivery and quality.
- Strong leader and team builder, focused on achieving results and fostering collaboration across teams.
- Expertise in creating software solutions tailored to diverse client needs and experimentation platforms.

Projects

GLOBAL DATA CATALOG

Engineered advanced catalog and lineage features to strengthen governance and traceability. Registered new data products, automated lineage creation, and added connector tagging for richer metadata. Enhanced connector controls with improved notifications, supported DDL segregation, and implemented Elasticsearch indexing, logging, and versioning for both products and connectors.

Stack: Java, Vue.js, PostgreSQL, GCP, AWS

ACCUMATE

Built a next-gen accounting platform with integrated tax, compliance, and banking modules. Delivered flexible book management and streamlined financial operations by embedding reporting tools and automation.

Stack: Java, AngularJS, Postgres SQL, iReport Designer, and Bhash SMS API.

ULIMI

Developed intelligent chatbot features to boost self-service engagement and automate user interactions. Enhanced conversational capabilities for smarter, more efficient customer communication.

Stack: Java Spring Boot, Postgres SQL, Swagger, and Dialog flow.

CLICK 360

Created performance management modules to track goals, competencies, and incidents. Automated reporting workflows to improve workforce evaluation and organizational efficiency.

Stack: Java Spring Boot, MySQL, Swagger, Eureka Server.

INVOICE MANAGEMENT SYSTEM

Designed a microservices-based SaaS for intelligent invoice processing. Automated email PDF extraction, applied validation rules, and ensured accuracy with IMA capabilities. Delivered rapid deployment and cost-effective scalability.

Stack: Java Spring Boot, SQL Server, Swagger, Eureka Server, Activiti workflow, RabbitMQ, Azure form recognizer

Key Contribution Area

- Backend Development
- RESTful API Design
- Coding Review
- API Documentation, Technical Documentation
- Cross-Functional Collaboration
- Mentoring and Knowledge Sharing
- Client Engagement

Awards & Recognitions

2025

Honored with a SPOT Award for resolving critical Windows script issues and nominated for the Applause Award at Nitor Foundation Day for outstanding project contributions.

2019

Awarded with Bright Beginning Award for timely task completion and consistent delivery excellence.

Education

BE Computers

Pune University • Pune, MH

2016

Diploma in Computers Technology

Maharashtra State Board of Technical Education • Kopergaon, MH

2013

Higher Secondary Certificate (Science)

Maharashtra State Board • Kopergaon, MH

2010

Secondary School Certificate

Maharashtra State Board • Pune, MH

2008
